## Do you like movies?

Hi! My name is Marco. Do you like movies? I do. I like movies very much. Everyone in my family likes movies too.

My family watches movies in different ways. Sometimes we go to the cinema to watch movies. Sometimes we watch movies at home. When we watch movies at home, we see them on DVDs. We also watch movies from the Internet.

My favorite movies are action movies. I like exciting things and action movies are exciting. My sister likes to watch movies also. She does not like the same kind of movies that I like. She likes movies that are funny. My father likes to watch movies about real things and real people. These kinds of movies are called documentaries. My mother is different from all of us. She likes all kinds of movies.

Last week we watched an old movie. It was called "The Sound of Music." It was about a family living in Australia. They were very good singers. In the movie, the mother died. The father and the children needed a new mother. The family was also in some danger. At the end of the movie the family was safe and they got a new mother. I liked the movie because it had a happy ending.
