## II. WRITING (20 pts)

### Topic 1: What kind of movies do you watch ? Why ? (80 words)

I watch action movies. I like the movies where good people win always and bad people went to the jail. And action movie like Fast and Furious, Escape, Taken, Hitman .... are my favorites movies. I like watching those movies with my friends and sometimes with my father who shares the same choices. And to answer the question "why" I like watching those movies it is because I experience the feeling of suspense, thrill and fear (sometimes). That's all for me!

**Topic 2: Imagine that your friend doesn't like watching movies in English and you want to convince him or her on the importance of watching them. Imagine and write a dialogue between you and your friend. (80 words)**

Me: Hi. How are you?

My friend : Hi. I am fine.

Me : Tell me can you come to my house? I have a new movie in English. We can watch it together.

My friend : Oh no! I don't like watching movies in English. They are boring.

Me: English movies are very interesting. They help you to improve your English knowledge. You can also discover many new words with their pronunciation. It's always a good thing to watch English movies because you help your ear to get used of the English sound.
